L. Robert "Doc" Fallot

Doc Fallot was a pioneer in the field of Sports Medicine. He originally practiced medicine in Amityville and later in Hampton Bays. He gave countless hours of service to Long Island athletes and provided medical care to any athlete in need, without concern for the athlete's economic capabilities. Doc cared for all athletes, but had a particular love for wrestlers. Doc was a mat-side fixture at county and state wrestling tournaments and is remembered by countless wrestlers, coaches and parents for the onsite treatment of injuries in schools across Long Island. The contribution made by Doc, to the health and well being of athletes, and to the field of sports medicine is immeasurable. In March 2007, "Doc" Fallot was inducted into the National Wrestling Hall of Fame for his lifetime service to wrestling.

L. Robert "Doc" Fallot Scholarship Fund

The scholarship fund originated in 1993, after Doc Fallot's passing. Recipients are scholastic wrestlers in Suffolk County, as selected by the coaches association. At Long Island Sports & Rehabilitation, Doc was our friend, teacher and patient. We have pledged to support the fund so that the scholarship may be available to deserving scholastic wrestlers for years to come, and so that the wrestling community will be reminded of the man who gave them so much. To date we have awarded over \$56,000 in scholarships.

Tee Sponsor & Donations

The Cost for Tee Sponsorship is \$200 per Tee. I wish to Sponsor _____ Tee(s) at \$200 each.
